Overview

Hutton is planning an extraordinary event to celebrate our 50th Anniversary! This is our 2017 version of the annual "Supplier Summit" which will include educational discussion sessions for our customers, product exhibits with our participating suppliers, networking events and so much more. Mark your calendars for **Thursday, September 7, 2017!**

When & Where

On September 7th, we are taking you to the heart of downtown Dallas where we have rented the historic Union Station to host this exciting event. This is where we will hold the educational sessions, product exhibits, lunch and speeches from the executive team. Come learn more about the past and present of Hutton Communications, and find out what's in store for the years to come.

Networking Event

To top it off, you'll have the opportunity to join us for a world-class evening networking event in the iconic Reunion Tower (aka "the big ball")! This is your chance to experience Dallas like never before while building and growing important business relationships. This is one event you do NOT want to miss!

If you are traveling from out of town, we recommend booking your hotel room now at the Hyatt Regency Dallas, adjacent to Union Station and Reunion Tower. Rooms will go fast, so reserve yours today!
